### Information and Data Protection

Data concerning individual applicants will only be used for the purpose that it was collected for and will be kept confidential. Data will only be retained where there is a business case for doing so.

Under Article 36 of 2021/2116, member States (MS) are obliged not to double fund beneficiaries. Therefore, sharing of personal data with the Department may be required where farmers participate in more than one scheme.

The Breeding Waders EIP, as part of its reporting obligations to the Dept. of Agriculture, Food and the Marine and the Department of Housing, Local Government and Heritage (NPWS), will inform the Departments of payments made to individual applicants.

The Breeding Waders EIP reserves the right to use anonymised scientific data for recording, research and training purposes.

The Breeding Waders EIP reserves the right to take photographs or video images from participant's lands for claims verification, monitoring, publicity, research and training purposes. No images of a participant will be used for publicity or training purposes without the consent of the participants.

Certain personal data about project participants will need to be shared, both ways, between the Breeding Waders EIP, the Department of Agriculture, Food and the Marine, the Department of Housing, Local Government and Heritage (NPWS), and other existing Agri-Environmental Schemes. This is necessary to confirm payment eligibility and to support the successful delivery of the project's objectives. Such data may include some or all of the following:

- Names of participants
- Addresses of participants
- Phone numbers of participants
- Email addresses of participants, (where available)
- Herd number and LPIS ID of participants
